

SB3500-4 Swing beam boat trailer

£6930.00

British made De Graaff Trailers SB3500-4, 3500kg, double axle, 4 wheel braked, swing beam multi-roller boat trailer.

The totally welded hot dipped galvanised chassis incorporates three adjustable swinging beams fitted with 64 nylon 'V' bush ribbed rollers, making loading and unloading the boat a lot easier even in shallow water.

This ridged A-frame trailer has a double layer chassis for extra strength. With an adjustable winch post.

Suitable for:

Cruisers, Ribs, Speedboats, Sailing boats and Sports boats.

Length capacity: 20ft (6.8m) to 28ft (8.5m)

Gross weight: 3500kg (7700 lbs)
